BRIDGE CAMPAIGN

We hold steadfast that the arts are key to bringing joy, beauty, hope, laughter, education, entertainment and economic development in good times and in more trying times alike. In the midst of the Covid-19 crisis, the Center for the Performing Arts faces unique obstacles, and among those are financial concerns. And yet, our mission continues – perhaps more important than ever, in fact – but through new forms of delivery, media and outreach to the community.

Established to ensure the Center for the Performing Arts continues its mission to Central Indiana in spite of the Covid-19 crisis, these donors gave generously to the Bridge Campaign. And for that, a grateful community says thank you.
